

22nd Annual Genesis BATTLEGREEN RUN

Sunday, November 5TH
10K & 5K run/walk

*The Minuteman Parent Association
invites you to get in on the Revolution!*

Run, walk, or donate to offer your
pledge of support.

All funds raised under our team go
directly back to the MPA to support
our student organizations, student
scholarships, and career programs.

To register to run or walk, visit
tinyurl.com/MHSRUN17

To donate or join to raise funds for our
team, visit tinyurl.com/MHSTEAM17

**BATTLEGREEN
RUN FOUNDATION**

The Genesis Battlegreen Run will be celebrating 22 years on Sunday, November 5, 2017 in Lexington, MA! Since its inception in 1996, the Genesis Battlegreen Run has been established as one of the most popular road race events in New England. This race event is unlike any other racing event from start to finish. Rene Rancourt, voice of the Boston Bruins, sends the runners along their way with a stirring rendition of the Star Spangled Banner, accompanied by musket fire, courtesy of the Lexington Minute Men. Another signature component of the racing event is the post-race buffet, which includes a variety of food options generously donated by many local restaurants and food vendors.

This event, which has become a Lexington tradition, offers a beautiful course that will challenge runners and walkers alike. After the race, join participants, friends and family for entertainment and a taste of our local food fair!

FUN FACTS

The Minuteman High School Culinary Arts program will be serving chili and cornbread after the race.

Minuteman High School Design and Visual Communications promoted a logo design competition in 2016. The results are the new Battlegreen Run Logo designed by our own Melanie Hennessey, Class of 2018.

Minuteman High School Community Service and Learning/Interact Club will be there staffing the water stations during and after the race!

Mr. Clement & Mr. Malerba each won their race categories in 2016!
